

STONEHILL
cabinetry

Stone Hill Cabinetry is thoughtfully designed and skillfully constructed by craftsmen in Lancaster County, Pennsylvania.

The kitchen is the focal point of your home and should reflect your personal style. Stone Hill Cabinetry features a palette of designs and finishes to make your kitchen unique.

Style and organization are the keys to achieving your dream kitchen.

Your style is reflected in the design choices you make. Stone Hill Cabinetry offers you a generous selection of carefully-chosen details to express your individuality.

The Le Mans Corner Unit by Keeseböhmer is an innovative solution to access those hard to reach items in a blind corner. Featuring full extension hardware with soft close technology and a durable Champagne finish.

Visual details such as architectural mouldings and hardware help define your style and add character to the space.

With so many storage solutions available,
Stone Hill Cabinetry provides all the functionality
you need to make your life easier.
Welcome to clutter-free living!

Wood top by others

Your home, your dream.
Stone Hill Cabinetry...
designed for the way you live.
